

Scriptwriter Test - NSFW Manga/Anime Style

World

I've taken the world that you provided in mind. I was originally going to have Hero bend Jezabelle over the hood of a car, but there are no cars in the Legend of Zelda.

Synopsis

Seeing as this is a magical world, I figured that Hero could be on a quest to get an Emerald that may help in his quest to defeat Master Eccentric. He has traveled with his assigned Maid, Mala. The two find the temple but run into the Emerald's protector, who will only let Hero take the gem if he is able to satisfy her.

Q4. Valley of the Forgotten

Screenplay

Valley of the Forgotten

Scene 1

Hero has dismounted his horse with his trusted maid, Mala. The two take in their surroundings, which include grassy hills and the odd broken stone pillar. The pillars seem to lead to a temple.

Mala:

Master, are you sure we will find the Emerald of Desire here in the middle of nowhere?

Hero:

I'm sure of it. The clue from the maiden in Lust Tower can only mean here.

Mala:

Any idea where to start looking?

Hero:

...

Hero looks out at the valley. Hero's POV.

Hero:

Look at how the pillars are arranged. Maybe they lead to our destination.

Mala:

There's no harm in trying.

Scene 2

Mala and the Hero follow the crumbled pillars and eventually find a temple in between the valleys of the hills.

Mala:

Master! Look! Do you think the Emerald is in there?

Hero:

There's only one way to know for sure.

A woman steps out from behind a pillar.

Danielle:

Hey, You! Stop right there!

Hero:

Huh? Who are you?

Hero:

I'm the hero... Who are you?

Danielle:

I am Danielle, I am the guardian of the Emerald of Desire.

Mala:

Please, we need the Emerald to bring peace to the lands.

Danielle:

I can't just give it to you. You have to earn it.

Hero:

What do I need to do?

Danielle:

You have to satisfy me. But good luck, it hasn't been done before.

Scene 3

Danielle is bent over a broken pillar, her long dress pulled up to expose her ass and thong.

Hero:
Look how round your ass is.

Hero walks up behind Danielle and rubs her ass with both hands.

Danielle:
Mmmm.

Danielle wiggles her ass and Hero slaps it.

Danielle:
Ah!

Hero carefully removes her panties, exposing her wet core.

Hero:
You're so wet.

Hero pulls down his pants, exposing himself. He gestures Mala over. Mala goes down on her knees and takes his cock in her mouth.

Hero grabs her head and thrusts into her mouth a couple of times before taking his erect cock out of her mouth and stepping towards Danielle again. HE presses the tip against her entrance.

Danielle:
Wait, you haven't gotten me ready!

Hero thrusts into her in on go. Danielle lets out a gasped moan.

Danielle:
You're so big.

Hero (chuckles):
You're so wet. I didn't have to even finger you.

Mala goes off to the side and sits on another pillar. She fingers herself while watching them.

Danielle (moaning):
Why doesn't your maid join us?

Hero grabs Danielle by the hips as he thrusts.

Hero:
She will. She just likes to watch at first.

Hero lifts one of Danielle's legs and props her knee on the pillar.

Danielle (Breathless):
Oh fuck. Right there.

Hero:
That's a good girl.

Mara's moaning, head tilted back.

Danielle:
You're hitting my favourite spot. It feels so good.

Mara stops masturbating. She climbed off the pillar and came over to Hero and Danielle. She leans in the grass. Close up on her liking Hero's cock and Danielle's pussy as they have sex. She resumes fingering herself.

Danielle:
Ah! No, that's too much. I'm going to...

Hero moved his left hand along her ass, towards her pussy. He slips his thumb into Danielle, stretching her pussy entrance even more.

Danielle:
No! I'm cumming!

Danielle arches her back. She cries out in pleasure. Moisture coats Hero's cock. He pulls it out for Mala to finish off.

Hero tilts his head back. He grabs Mala's head and thrusts deeper, making her gage.

Hero:
Mala, I'm going to—

Hero pulls out and cums on her face.

Mala moans and climaxes herself, coating her fingers in her juices.

Scene 4

Hero has pulled his pants back up. Mala is standing next to him, licking cum off her fingers.

Danielle is now standing, leaning against the pillar.

Danielle:

I will guide you to the Emerald and allow you to take it.

Mala:

What will you do now? Since the Emerald is no longer here to protect.

Danielle:

I'll just have to come along with you two, to watch over the Emerald of course.

Hero (smirking):

Of course.
